TEC | Tecnológico  
de Costa Rica  
Documento Tramitado por la  
Dirección de Cooperación

In pursuit of mutual interests in the fields of research and higher education and as a contribution to the general goal of increased international cooperation, INSTITUTO TECNOLÓGICO DE COSTA RICA, Costa Rica and AARHUS UNIVERSITY, Denmark have agreed to enter into this memorandum of understanding for cooperation. Based on principles of equity and reciprocity this memorandum will serve as a general framework for cooperation between the two institutions and is intended to facilitate discussions for more specific programs of collaboration.

The parties agree to collaborate in the following areas of mutual interest:

- (a) Identify opportunities for exchange of students;
- (b) Explore possibilities for exchange of faculty and research staff, including Post-Doctoral fellows and PhD Students;
- (c) Establish and promote joint research projects, laboratories and academic cooperation;
- (d) Exchange of academic information and materials;
- (e) Organise and participate in joint academic activities such as seminars and conferences.

A designated person at each institution – the MoU Coordinator - will oversee and facilitate implementation of this memorandum in cooperation with other appropriate administrators at the respective institutions.

The terms of joint activities and arrangements for specific visits, exchanges, and other forms of cooperation will be agreed upon in writing prior to the initiation of any activity. Any commitment of resources, financial or otherwise, in support of these activities must be contained in subsequent specific agreements.

This agreement shall take effect on the day on which it is signed and shall continue until terminated by agreement between the parties. Any changes must be agreed to in writing by both parties. A minimum period of six months' notice will be required from either party wishing to terminate the agreement.
