Documento Tramitado por la
Dirección de Cooperación

Given the very positive results stemming from the student exchange agreement between ITCR and Université Laval;

Given the willingness of the authorities from the two institutions to pursue and develop collaboration between the two institutions using their teaching and research resources;

Given the general interest to encourage this type of international collaboration on a basis of equality and mutual assistance;

Université Laval and ITCR agree to the following:

1. The student exchange agreement between Université Laval and ITCR, signed on March 26, 2010, is extended for a period of five (5) years as of the date the present document is signed;
2. All of the conditions contained in the signed prior agreement remain unchanged.
