The Tenth Conference of Heads of States of Non-Aligned Movement (NAM) countries commenced in Bandung from 1st - 6th September 1992 concluded, among others, the idea of scholarships provided by the Ministry of Education and Culture of the Republic of Indonesia for the student coming from the NAM member countries. Following that mandate, in 1993 the Government of the Republic of Indonesia started offering postgraduate (master degree) scholarships to students from the NAM member countries. Since 2002, due to the substantial change in the international political constellation, the use of the term "NAM" in this program was considered irrelevant. The program name then changed to Kemitraan Negara Berkembang (Developing Countries Partnership) Scholarship or KNB Scholarship.
